STOCK

YARDS

The Only Wholesale Yards in St. Louis Accessible by Rail and Water !

1. Every railroad entering St. Louis is directly tributary to these yards.
2. Texas shippers are informed that connection with these yards from the Iron Mountain & Southern railroad can be made without cost and with much less shrinkage than to any other.
3. These yards have the peculiar advantage of being located on the St. Louis side of the river, from which five hundred thousand people draw their provision supply.
4. Every packing house in St. Louis has a regular buyer stationed here. Buyers of cattle, hegs and sheep, both for the home market and eastern shipment, are at all times represented.
5. For comfort and convenience these yards have no superior in the country. Two lines of street cars approach here. Hotel, telegraph offices and other conveniences for stockmen on the premises.
